**Policy Title:** Web Advertising and Recruitment Mailing for Position Vacancies

---

**Policy Statement:**

Advertisements are accepted for open employment positions when they conform to EEO standards. AAARAD does not verify the accuracy of claims made in advertisements and publication of an advertisement does not imply endorsement by AAARAD.

All postings on the AAARAD Career Opportunities Web-site must be for a bona fide open position in a *specific academic radiology department*. As such, AAARAD reserves the right to cancel any posting, or any contract with a company that submits a posting, with no refund of money that in its sole determination violates this bona fide open position requirement. AAARAD may at any time—but are not obligated to do so in making a determination of bona fide positions—request documentation from the agency, or request written confirmation from the employer that they have given authorization to the agency to recruit for that position.

AAARAD shall have the right to approve or deny all advertising prior to publication on the website and/or emailing to the AAARAD membership.

AAARAD prohibits preferential or adverse discrimination on the basis of race, creed, color, gender, age, national or ethnic origin, sexual orientation, disability, or health status in all areas including, but not limited to, its qualifications for membership, rights of members, policies, programs, activities, and employment practices.

AAARAD is committed to promoting cultural diversity throughout the profession.

All postings to the AAARAD Career Opportunities are posted “open until filled” up to a 90- day maximum period.

**WEBSITE COORDINATOR – Chris Ellis, MHSA - [EllisChris@uams.edu](mailto:EllisChris@uams.edu)**

---

**Process / Procedure:**

1. Prospective employer or recruiter contacts the website coordinator for the AAARAD organization to post an advertisement for an open position.
2. AAARAD website coordinator confirms the policy statement with prospective employer or recruiter.
3. AAARAD website coordinator confirms the current price of \$250 for the ad posting, which also includes an email to all members that a new ad is posted on-line. Postings from member institutions not using a recruiter for their search will be free of charge.
4. AAARAD website coordinator confirms that the ad will be posted until the position is filled, up to a maximum of 90 days.
5. AAARAD website coordinator reviews advertisement content to ensure it meets the AAARAD policy.
6. When appropriate, the AAARAD website coordinator contacts the AAARAD accountant to create and send an invoice to the recruiter.
7. Once it is determined that the institution will not be billed or when the AAARAD accountant verifies that payment has been received, the AAARAD website coordinator sends the ad to the web-master for posting in the Career Opportunities section of the AAARAD website.
8. Once the ad is posted, the web-master generates an email notification to the AAARAD membership notifying the membership that a new career opportunity advertisement has been posted.
