## Charleston Place - <http://www.charlestonplace.com>

**Charleston Place** is set in the heart of downtown Charleston. It is the perfect location to explore the region's colorful history and outstanding natural beauty.

**Charleston** is the oldest and second-largest city in the southeastern U.S. state of [South Carolina](#), the county seat of [Charleston County](#),<sup>[3]</sup> and the principal city in the [Charleston–North Charleston–Summerville Metropolitan Statistical Area](#).<sup>[4]</sup> The city lies just south of the geographical midpoint of South Carolina's coastline and is located on [Charleston Harbor](#), an inlet of the Atlantic Ocean formed by the confluence of the [Ashley](#) and [Cooper](#) rivers.

Founded in 1670 as Charles Towne in honor of King [Charles II of England](#), Charleston adopted its present name in 1783. It moved to its present location on Oyster Point in 1680 from a location on the west bank of the Ashley River known as Albemarle Point. By 1690, Charles Towne was the fifth largest city in North America,<sup>[5]</sup> and it remained among the ten largest cities in the United States through the 1840 census.<sup>[6]</sup> With a [2010 census](#) population of 120,080 (and a 2012 estimate of 125,583), current trends put Charleston as the fastest-growing municipality in South Carolina. The city's metropolitan area population was counted by the 2010 census at 664,607 – the second largest in the state – and the [75th-largest metropolitan statistical area](#) in the United States.

Known for its rich history, well-preserved architecture, restaurant community, and mannerly people, Charleston has received a large number of accolades, including "America's Most Friendly [City]" by [Travel + Leisure](#) in 2011 and "the most polite and hospitable city in America" by [Southern Living](#) magazine. Charleston is famous for its unique culture, which blends traditional Southern U.S., English, French, and West African elements. The downtown peninsula is well known for its art, music, local cuisine, and fashion. [Spoleto Festival USA](#), held annually in late spring, is one of the world's major performing arts festivals. Charleston's oldest community theater group, the Footlight Players, has provided theatrical productions since 1931. A variety of performing arts venues includes the historic [Dock Street Theatre](#). The annual Charleston Fashion Week held each Spring in Marion Square brings in designers, journalists, and clients from across the nation. Charleston is known for its local seafood, which plays a key role in the city's renowned cuisine, comprising staple dishes such as gumbo, she-crab soup, fried oysters, lowcountry boil, deviled crab cakes, red rice, and shrimp and grits. The culture in Charleston differs greatly even from the rest of South Carolina, with British and French elements heavily prevalent.
